Hedwig Dohm

Become Who You Are (SUNY series, Women Writers in Translation) Hedwig Dohm

Two texts—one novella and one essay—that exemplify Dohm's passionate arguments for gender equality.

Hedwig Dohm (1831–1919) was a thinker and writer significantly ahead of her time. She championed women's rights in Germany and criticized with acerbic wit the social, political, and familial inequities inherent in gender relationships at the time of the first wave of the women's movement. Her novella *Become Who You Are* is about a woman, Agnes Schmidt, whose husband has died and who is grappling with finding an identity for herself as an aging widow—reflecting the restrictions imposed especially on aging, widowed women who often yearn for a life and identity of their own. Also included here is the English translation of Dohm's essay, "The Old Woman," which is a compelling call for women to resist the social, intellectual, psychological, and physical restraints placed on women of Dohm's time.

Elizabeth G. Ametsbichler is Professor of German at the University of Montana. She is the coeditor (with Elke P. Frederiksen) of *Women Writers in German-Speaking Countries: A Bio-Bibliographical Critical Sourcebook*.
