QuickBooks Pro can save you hours of time in preparing your taxes. But setting up the new 2005 QuickBooks Pro can be complex and time-consuming. Contractor's Guide to QuickBooks Pro 2005 can save hours of time in setting up and putting to use all the new features that this 2005 edition offers. QuickBooks Pro isn't just for taxes. You can use it for payroll, keeping track of your vendors and subs -- even job costing (comparing your estimated costs to your actual costs and finding out where you're making and losing money.) If you'd rather be building homes than burning the midnight oil trying to balance your books, you should have this new book. It includes a CD-ROM with a template for a construction company to help speed your set up, an estimating program with a 5000-item database, a program that converts your estimates into QuickBooks forms so you can compare with your actual costs, and blank construction forms for your use.
