Healing a Father's Heart: A Post-Abortion Bible Study for Men Linda J. Cochrane, Kathy Jones
After an abortion, the forgotten victim is the baby's father.

According to the authors of this insightful Bible study, abortion inflicts pain on men as well as women. These fathers are "silent, wounded warriors" who are suffering from fear, anxiety, anger, guilt, grief, and depression. Men who have lost a child to abortion often have an unexplainable need to defend their masculinity, causing confusion and strife in their relationships.

This study helps men acknowledge and face their inner turmoil. The authors walk hurting men through the stages of post-abortion stress, helping the move out of denial about the past and into acceptance and forgiveness. Men will learn about God's unchanging, loving character and his desire to forgive them and heal their father-hearts.
