Medicine at a Glance

Patrick Davey

Medicine at a Glance Patrick Davey

This fourth edition of *Medicine at a Glance*, the leading title in the best-selling *at a Glance* series, provides an unparalleled overview of the study of medicine, closely following the core medical curriculum.

Ideal for medical students, Foundation programme doctors and those training in the allied health professions, *Medicine at a Glance* presents vital information on clinical presentations, diseases, and treatments in every major medical specialty, from cardiology to dermatology.

Medicine at a Glance:

- Has been fully revised to reflect essential clinical and curriculum updates.
- Contains brand new material in key areas such as imaging, women's health, communication and data interpretation.
- Features a brand new, clearer text design, in the trusted at a Glance double-page spread style, in full-colour throughout.
- Is the ideal, practical companion to clinical attachments, available in a range of digital formats for on-the-go study and revision.
- Includes a companion website at www.ataglanceseries.com/medicine featuring interactive Multiple Choice Questions (MCQs), interactive flashcards with show/hide labels, and tables of normal values

From reader reviews:

Tawny Morgenstern:

Information is provisions for those to get better life, information presently can get by anyone in everywhere. The information can be a expertise or any news even an issue. What people must be consider whenever those information which is inside the former life are challenging be find than now could be taking seriously which one works to believe or which one the actual resource are convinced. If you have the unstable resource then you get it as your main information it will have huge disadvantage for you. All those possibilities will not happen in you if you take Medicine at a Glance as your daily resource information.

Edward Upton:

Do you have something that you prefer such as book? The guide lovers usually prefer to pick book like comic, limited story and the biggest the first is novel. Now, why not hoping Medicine at a Glance that give your fun preference will be satisfied by reading this book. Reading practice all over the world can be said as the opportunity for people to know world a great deal better then how they react in the direction of the world. It can't be claimed constantly that reading addiction only for the geeky particular person but for all of you who wants to end up being success person. So , for every you who want to start studying as your good habit, it is possible to pick Medicine at a Glance become your starter.

Anthony Perez:

In this period globalization it is important to someone to get information. The information will make you to definitely understand the condition of the world. The fitness of the world makes the information much easier to share. You can find a lot of references to get information example: internet, magazine, book, and soon. You can see that now, a lot of publisher in which print many kinds of book. The particular book that recommended to your account is Medicine at a Glance this publication consist a lot of the information in the condition of this world now. That book was represented so why is the world has grown up. The words styles that writer use to explain it is easy to understand. Often the writer made some analysis when he makes this book. That's why this book appropriate all of you.

Denise Adams:

What is your hobby? Have you heard that question when you got scholars? We believe that that issue was given by teacher on their students. Many kinds of hobby, All people has different hobby. So you know that little person like reading or as examining become their hobby. You have to know that reading is very important and also book as to be the point. Book is important thing to increase you knowledge, except your teacher or lecturer. You find good news or update in relation to something by book. A substantial number of sorts of books that can you take to be your object. One of them is niagra Medicine at a Glance.
