The Princess and the Pea Victoria Alexander

The classic tale of a fervent courtship between an American heiress and a dashing British earl from #1 *New York Times* bestselling author Victoria Alexander

Feel the pea through this bed and win the heart of the man you'll wed.

A true American princess, Cecily White stood to inherit her father's business empire. And with the twentieth century right around the corner, the independent beauty had no intention of marrying some foreign nobleman seeking her money. Then, on a trip to England, Cece fell under the spell of a dashing peer who had more to recommend him than the length of his title and the size of his countinghouse. But Cece wouldn't surrender her heart to the virile Earl of Graystone until he proved that the only treasure he wanted was her love.
