Sharpen your decision making skills in the ED with this easy-to-use guide to visual diagnosis! Emergency Medicine Images for Practice is an innovative, highly practical eBook that provides the on-the-spot assistance you need to make accurate decisions quickly. More than 500 multi-modality radiologic images depict the problems you're likely to see during a typical shift in the ED. Each templated section – x-ray, ultrasound, CT, and MRI – is presented in a consistent pattern for quick review.

Covers more than 230 problems commonly seen in the emergency department.

Images are organized by subspecialty and include a one-page overview of differential diagnosis, history, management, disposition and key references. The second page features the corresponding radiologic images. Each diagnosis begins with an x-ray, and ultrasound, CT and MR images and EKGs and audio clips will be added as regular updates to the eBook.

Includes a handy list of abbreviations and acronyms commonly used in the ED.

Use this eBook during a shift for review, as a teaching tool, at home as clinical reading, or for exam preparation.
