Growing spiritually as a couple can be one of the greatest frustrations in marriage. Why? Because husbands and wives take the spiritual growth approach that works for individuals and try to apply it to couples. As many Christian couples can testify, this is an invitation to failure. The result is a sense of guilt and discouragement, followed by the decision by many husbands and wives to just quit trying.

Fortunately, help has arrived. *Faith Tango* presents a liberating approach that fits the unique dynamics of marriage, revealing how spouses can incorporate spiritual sharing into the natural flow of life and experience greater growth and deeper intimacy.

In *Faith Tango*, Carolyn and Craig Williford introduce a fresh and compelling approach to growing spiritually as a couple, encouraging readers to abandon their preconceptions about what couples' devotions *should* be, dump the sense of defeat that plagues many couples, and embrace a new approach to spiritual growth that fits beautifully into their everyday life and marriage.
