President Lincoln

William Lee Miller

President Lincoln William Lee Miller

In his acclaimed book *Lincoln's Virtues*, William Lee Miller explored Abraham Lincoln's intellectual and moral development. Now he completes his "ethical biography," showing how the amiable and inexperienced backcountry politician was transformed by constitutional alchemy into an oath-bound head of state. Faced with a radical moral contradiction left by the nation's Founders, Lincoln struggled to find a balance between the universal ideals of Equality and Liberty and the monstrous injustice of human slavery.

With wit and penetrating sensitivity, Miller brings together the great themes that have become Lincoln's legacy—preserving the United States of America while ending the odious institution that corrupted the nation's meaning—and illuminates his remarkable presidential combination: indomitable resolve and supreme magnanimity.

From the Trade Paperback edition.

From reader reviews:

Homer Douglas:

As people who live in typically the modest era should be change about what going on or information even knowledge to make them keep up with the era which is always change and progress. Some of you maybe will certainly update themselves by reading through books. It is a good choice to suit your needs but the problems coming to a person is you don't know what one you should start with. This President Lincoln is our recommendation so you keep up with the world. Why, as this book serves what you want and wish in this era.

Sally Norman:

People live in this new day time of lifestyle always try and and must have the spare time or they will get lot of stress from both daily life and work. So , whenever we ask do people have free time, we will say absolutely without a doubt. People is human not really a huge robot. Then we inquire again, what kind of activity are you experiencing when the spare time coming to you actually of course your answer will certainly unlimited right. Then do you try this one, reading textbooks. It can be your alternative within spending your spare time, the actual book you have read is usually President Lincoln.

Rodney Richardson:

Your reading 6th sense will not betray an individual, why because this President Lincoln reserve written by well-known writer who knows well how to make book that could be understand by anyone who also read the book. Written with good manner for you, leaking every ideas and composing skill only for eliminate your own hunger then you still hesitation President Lincoln as good book but not only by the cover but also with the content. This is one e-book that can break don't assess book by its protect, so do you still needing another sixth sense to pick this specific!? Oh come on your looking at sixth sense already alerted you so why you have to listening to yet another sixth sense.

Elliot Weber:

What is your hobby? Have you heard in which question when you got college students? We believe that that question was given by teacher for their students. Many kinds of hobby, Every person has different hobby. And you also know that little person including reading or as reading become their hobby. You must know that reading is very important along with book as to be the point. Book is important thing to provide you knowledge, except your personal teacher or lecturer. You get good news or update regarding something by book. Amount types of books that can you decide to try be your object. One of them is actually President Lincoln.
