SEX: TRUE OR FALSE? looks at the intimate beauty and joy of sexual union along with the consequences of sex outside of love. By contrasting these two extremes, it illustrates how casual sex without love distracts us from nourishing our deep-seated emotional and spiritual needs by merely satisfying the body with a quick fix of immediate pleasure. To avoid the obstacles that lure people to a quick fix, the authors provide sensitive guidance and first-hand examples of how love-centered sex can lead to a fulfilling life of enhanced wholeness, allowing you to reach heightened sexual levels that now flow from an emotional and spiritual threshold centered in love.
