## **Coaching y liderazgo: 1 (Spanish Edition)** Joan Payeras

El coaching nos brinda una oportunidad para deshacer ciertos nudos gordianos que bloquean con demasiada frecuencia los procesos productivos, y que muchas veces se solucionaban en el pasado de manera un tanto expeditiva en las formas pero ineficaz en el fondo, a través del liderazgo impositivo. Coaching y liderazgo es una obra que ayudará a directivos y especialistas en 'Dirección de personas', a adentrarse en el entramado de las relaciones personales dentro de las empresas, que ayudan o dificultan a la consecución de los resultados. INDICE RESUMIDO: Qué es y para qué sirve el coaching. La demanda y el contrato en el coaching. El proceso en el coaching. Bases metodológicas del coaching. El contenido en el coaching. El coaching de equipo. Coaching y liderazgo. Anexos.
