Course Refresher: College Algebra: Just a basic consolidation of what is the important information from previous courses to know prior to starting College Algebra (The Course Refresher) (Volume 1)

Jonathan Tullis

After years of tutoring students from various schools covering many subjects, the information in this text is what I found to be the most important and forgotten from previous courses. This book is designed to be a reference guide for students that need a refresher of the material required from previous courses.
