## **Hope and Despair in the American City** Gerald Grant

In *Hope and Despair*, Gerald Grant compares two cities - his hometown of Syracuse, New York, and Raleigh, North Carolina - in order to examine the consequences of the nation's ongoing educational inequities. The result is an ambitious portrait - sometimes disturbing, often inspiring - of two cities that exemplify our nation's greatest educational challenges, as well as a passionate exploration of the potential for school reform that exists for our urban schools today.
