Plateaus of Destiny Mike Gould

In this wonderful collection of short stories, Mike Gould takes us from the high montane of Colorado to the canyons of Idaho. It is a book by a master storyteller, someone who still practices the fading art of spinning a yarn by the campfire. Mike writes about a good mountain horse, lightning storms, dogs on point, coveys of blue grouse, an old favorite rifle, and gives a tongue-in-cheek account of how to poach a buck. He also tells us of wondrous things, spiritual things, times of deep despair and the grand majesty of nature. This is a wonderful book that will inspire you and lift your soul.
