Valor, Guts, and Luck

William L. Smallwood

Valor, Guts, and Luck William L. Smallwood

During the Second World War, a B-17 tailgunner had a one-in-four chance of survival during his standard twenty-five-mission tour. *Valor, Guts, and Luck* is the story of Staff Sergeant Lowell Slayton (1923-2013), who beat those odds.

An underprivileged kid from Fargo, North Dakota, Slayton was a high school senior the day the Japanese bombed Pearl Harbor. Drawn to the glamour of the wild blue yonder made famous by newsreels, he joined the Army Air Force. Eventually he found himself on an unlucky thirteenth mission to the main FW-190 fighter-aircraft plant in Oschersleben, Germany. After being hit by a rocket, his plane left the protection of the formation and was immediately attacked by a swarm of fighter-aircraft, resulting in damage that forced a crash landing in Germany.

Slayton, though wounded, survived the crash landing and spent time in three hospitals and two POW camps and then endured a 300-plus mile trek from Poland to western Germany during one of the coldest winters on record. Through Slayton's recollections, William L. Smallwood conveys the riveting tales of life in the Air Corps, aerial combat, and the horrific experiences of a prisoner of war. Through it all, Slayton's valor, guts, and luck made it possible for him to enjoy a homecoming after the war.

The author explained their concept in the simple way, and so all of people can easily to know the core of this book. This book will give you a wide range of information about this world now. To help you see the represented of the world in this particular book.

Beverly Rosa:

Is it you actually who having spare time then spend it whole day by simply watching television programs or just lying down on the bed? Do you need something totally new? This Valor, Guts, and Luck can be the reply, oh how comes? It's a book you know. You are so out of date, spending your time by reading in this new era is common not a geek activity. So what these books have than the others?

Edward Donnelly:

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's internal or real their pastime. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading really. Any students feel that reading through is not important, boring as well as can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Valor, Guts, and Luck can make you sense more interested to read.
