Feathers Jorge Corona

What's To Love: Created, written, and illustrated by incredible breakout talent and Russ Manning Promising Newcomer Award winner Jorge Corona (We Are Robin, Teen Titans Go!), Feathers is a tale of danger, friendship, and adventure that really tugged on our heartstrings. We're so excited to bring Corona's first original series to readers in a beautiful collected hardcover edition.

What It Is: Born covered in black feathers, abandoned as a baby in the slums of the Maze, Poe has lived his entire 11-year-old life hidden away under the protection of his adoptive father, Gabriel. He spends his days secretly helping the Mice, bands of orphans who roam the slums, but there is a whisper of an altogether more sinister figure in the shadows, making street children disappear. When Bianca, an over-protected girl from the wealthy City beyond the Wall, escapes into the Maze in search of adventure, their worlds collide. Collects the complete six-issue limited series plus never-before-seen artwork.

"A truly engaging all-ages story...The series has all the hallmarks of a classic Disney or Grimm fairy tale, complete with sinister villains, mysterious legends and an overwhelming sense of adventure throughout."--
