Joseph - Chris Ledger

As we embark on this New Year, Chris Ledger explores the story of Joseph; the twists and turns as he changed from a naive and foolish teenager to a man with a humble and generous attitude and steadfast faith in God. As Chris considers how he coped with hurt, unfairness and false accusations, we will see him grow as a person and note how he draws closer to God through the difficulties he faces. Ultimately, Joseph's life is a testimony to God's grace; as he said to his brothers, 'You intended to harm me, but God intended it for good.'

Patience - Beryl Adamsbaum

In February, Beryl Adamsbaum looks at two different aspects of patience – waiting and our attitudes in those times. Throughout the Old and New Testament, we have clear examples of patience in practice – the waiting, the irritation, the expectation. Mixed with her own stories of patience in daily life, Beryl encourages readers to, above all, trust in the Lord. And finally, she ends with a focus on God's amazing patience with us.
