Guillermo Zermeño Padilla

**La cultura. México (1960-2000) (Spanish Edition)** Guillermo Zermeño Padilla

Un completo panorama de la vida cultural e intelectual en México en el que se repasan no sólo la parte artística de la cultura en este período, sino también la moda y los gustos, expresiones plásticas y literarias, la educación y los planes de estudios, el ocio, las manifestaciones públicas, etc.

La colección **América Latina en la Historia Contemporánea** es uno de los proyectos editoriales más importantes de las últimas décadas y una aportación original y novedosa a la historiografía sobre América Latina en la que han participado más de 400 historiadores de diversos países. Presenta una visión plural y accesible de la historia contemporánea de las naciones latinoamericanas -incluyendo aquellas otras, europeas o americanas, que más han aportado a su materialización- y revela las claves políticas, sociales, económicas y culturales que han determinado su trayectoria y el lugar en el mundo que hoy ocupan.

## Distinciones:

Premio de la revista *La Aventura de la Historia* a la mejor iniciativa editorial
