Los ojos del jaguar disparan medianoche (Spanish Edition) Ernesto Murguía

Ganador del Premio Nacional de Cuento Emilio Abreu, "Los ojos del Jaguar disparan medianoche" enfrenta al lector con tres historias macabras que a partir de la cotidianeidad de sus personajes llegan a momentos de locura de un cuadro de Velázquez.

El sexo y la violencia se entremezclan en esa zona oscura que separa la realidad de la locura. La primera historia, cuyo nombre da título al libro, narra el ascenso y caída de Los Arcanos, la banda más influyente en la historia del rock mexicano, y su lucha desesperada para salvar su alma de una groupie satánica. En "Asuntos privados", una tímida empleada descubre que la única forma para salir de una relación abusiva la encarna una sangrienta criatura oculta en el cubo de su edificio. "Los cuadros" cuenta la historia de un estudiante universitario que debe contar los mosaicos en las paredes de su departamento para mantenerse con vida.

Si el terror psicológico juega con los miedos del lector, el terror mental apuesta a la locura. Narrados de forma eficiente y en un lenguaje sencillo y coloquial, "Los ojos del Jaguar disparan medianoche" demuestra un manejo magistral del género por parte de Murguía.

Los mejores relatos de terror que se han escrito en México en los últimos años. Un libro inquietante y que lleva al lector hasta límite del espanto.
