Sixteen-year-old Lara finds her soulmate. There's just one problem – he's her teacher.

Lara's life is far from perfect, but being an upbeat kind of person she saves her venting for her diary. It's the only place she can let out her true feelings about the family dramas and hideous bullying she has to face every day.

And then a shining light comes out of the darkness – the new young and MALE teacher, Mr Jagger. The one person who takes Lara seriously and notices her potential. The one person who is kind to her. The one person who she falls madly and hopelessly in love with. The one person who cannot love her back ... can he?
