Taylor Swift knows no bounds when it comes to great songwriting with a lot of heart. Her personal songs capture a sense of vulnerability and reveal a wisdom and insight beyond her years. The release of her album Red in October 2012 was the highest No. 1 debut in the 2010 decade so far and the first single on the album, "We Are Never Ever Getting Back Together," was a global commercial success. The official wall calendar features a collection of photographs of this young songstress who, with her graciousness and humility, has amassed millions of loyal fans across the globe.
