What Presidents Are Made Of

In paperback for the 2012 election, this sophisticated and playful look at U.S. presidents includes a new portrait of President Obama.

See America's presidents as never before—made of objects! Using everything from blue jeans to boxing gloves, Hanoch Piven “builds” the characters of eighteen of our nation's leaders. Revealing anecdotes accompany the creative collages and lend insight to the charismatic personalities of prominent presidents from George Washington to Barack Obama, resulting in an irresistible resource that transcends party lines.
