Zerr Bible Commentary Vol. 5 Matthew - Romans E. M. Zerr

If brethren somehow could be made acquainted with Brother Zerr's Bible Commentary, it is possible that it could be as widely used as has been Johnson's Notes, first published in 1889. Brother Zerr printed very little of the Bible text in his commentary. He assumed you would have your own Bible nearby. To have printed in the commentary the entire Bible would have required at least three other volumes. While it would have been helpful to have the Bible text printed by the comments, this unnecessary luxury would have been very expensive, since we all have copies of the Scriptures already. Furthermore, Brother Zerr intended that one be compelled to use his Bible, in order that his commentary never supplant the Sacred text. Volume V covers Matthew to Romans.
