**In the remote Rocky Mountains, lives depend on the Search & Rescue brotherhood. But in a place this far off the map, trust is hard to come by and secrets can be murder...**

George Holloway has spent his life alone, exploring the treacherous beauty of the Colorado Rockies. He's the best survival expert Search and Rescue has, which makes him the obvious choice to lead Ellie Price through deadly terrain to find her missing father. There's just one problem-Ellie's everything George *isn't*. She's a city girl, charming, gregarious, delicate, *small*. And when she looks up at him with those big, dark eyes, he swears he would tear the world apart to keep her safe.

With a killer on the loose, he may have no choice.

Ellie's determined to find her father no matter the cost. But as she and her gorgeous mountain of a guide fight their way through an unforgiving wilderness, they find themselves in the crosshairs of a dangerous man in search of revenge. And they are now his prey...
