After the sexual revolution came the sexual explosion

The six years between 1968 and 1973 saw more sexual taboos challenged than ever before. Film, literature, and theater simultaneously broke through barriers previously unimagined, giving birth to what we still consider to be the height of sexual expression in our pop culture: *Portnoy's Complaint*, *Myra Breckinridge*, *Hair*, *The Boys in the Band*, *Midnight Cowboy*, *Last Tango in Paris*, and *Deep Throat*.

In *Sexplosion*, Robert Hofler weaves a lively narrative linking many of the writers, producers, and actors responsible for creating these and other controversial works, placing them within their cultural and social frameworks. During the time the Stonewall Riots were shaking Greenwich Village and *Roe v. Wade* was making its way to the Supreme Court, a group of daring artists was challenging the status quo and defining the country's concept of sexual liberation. Hofler follows the creation of and reaction to these groundbreaking works, tracing their connections and influences upon one another and the rest of entertainment.

Always colorful and often unexpected, *Sexplosion* is an illuminating account of a generation of sexual provocateurs and the power their works continue to hold decades later.
