Federal Suitability and Security Clearances: Issue Mitigation Handbook William H. Henderson

This book explains how suitability and security issues can be mitigated. Proper issue mitigation is not only critical to ultimately obtaining a clearance; in many cases it can result in the granting of an interim clearance and reduce the time it takes to get a final clearance. All 3 major federal personnel security programs are covered in this book with explanations of the procedures, investigations, and adjudicative standards. Sample SOR, LOD, NOPA, and affidavit forms, as well as reference materials, case citations, and rebuttal, hearing, and appeal instructions are included.

The University of New Haven, CT adopted Federal Suitability and Security Clearances for use as a text in their graduate course, NSP 602--Personnel Security Programs in 2012.
