Mistero in Antartide (Italian Edition) Vianka Van Bokkem

Essendo una cronista freelance diciannovenne impegnata a scoprire e seguire fatti reali, non stupisce che fossi a malapena in grado di coprire le mie spese.

La maggior parte dei miei colleghi guadagna belle somme braccando le celebrità di Hollywood. La gente ama leggere riviste di gossip, e questa è l'amara verità.

Mi chiamo Kalei Aneko. Mio padre è un cuoco Hawaiano forte e orgoglioso, e mia madre è un'attraente ufficiale di polizia di San Francisco, California.

Mi sono giunte diverse voci circa un insabbiamento da parte dei militari in Antartide, e io intendo scoprire la verità, costi quel che costi!

Durante l'estate in Antartide ci sono circa 5000 scienziati, mentre in inverno il numero scende intorno alle 1000 unità. Pare che i militari stiano supportando massicciamente gli scienziati nella loro ricerca... di qualunque cosa si tratti. Il fatto che il personale scientifico venga più che dimezzato in inverno ha suscitato ancora di più la mia curiosità.
