Reaching a New Generation: Strategies for Tomorrow's Church Alan J. Roxburgh, Alan, J. Roxburgh
Our world has changed dramatically in the past quarter century. People are losing faith in technology. Our society has lost consensus and is dividing into competing tribes. Rather than simply condemning these new values, Roxburgh calls the church to respond with Christian community, Christian ecology and Christian spirituality. This fresh and powerful book shows what our new world is like and how the gospel is yet again relevant and redemptive.
