Why One Way?

John F. MacArthur

Why One Way? John F. MacArthur

A concise guide to understanding how and why the ancient Christian faith makes sense for today and a blueprint for communicating truth to a "truthless" and cynical generation. The book is centered around 6 key principles: objectivity, rationality, veracity, authority, incompatibility and integrity. In the ultimate apologetic, John MacArthur presents a case for Christianity that serves as a logical explanation as much as a solid defense.
