African Americans of Tampa (Images of America) Ersula Knox Odom

Tampa has a fascinating past that has been wonderfully documented with one exception: African Americans. This culturally rich community is virtually invisible in the eyes of history. Tampa's population exploded during the early 1900s, and the building boom universally required the skills and talents of African Americans, who provided services, labor, and entrepreneurship in a massive form. They played significant roles in everything from Tampa's wilderness era to its boomtown years and were key players in the first and second Seminole Wars with their Seminole alliance. African American soldiers captured Fort Brooke during the Civil War and fought in the Spanish-American War. Residents have endured Jim Crow, desegregation, and racial unrest yet thrived as entrepreneurs. Black Cubans, as part of the greater African American community, enabled Tampa's world-renowned cigar industry. The photographs found in this volume clearly illustrate Tampa's social and productive African American community.

From reader reviews:

Louise Schmidt:

What do you consider book? It is just for students as they are still students or the item for all people in the world, the actual best subject for that? Simply you can be answered for that concern above. Every person has different personality and hobby per other. Don't to be forced someone or something that they don't need do that. You must know how great and also important the book African Americans of Tampa (Images of America). All type of book is it possible to see on many methods. You can look for the internet methods or other social media.

Percy Cole:

Playing with family in a park, coming to see the coastal world or hanging out with buddies is thing that usually you may have done when you have spare time, then why you don't try point that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love African Americans of Tampa (Images of America), you can enjoy both. It is good combination right, you still desire to miss it? What kind of hang-out type is it? Oh come on its mind hangout guys. What? Still don't understand it, oh come on its named reading friends.

Bradley Smith:
