Cambridge 2001: Proceedings of the 15th International Congress for Analytical Psychology

The Fifteenth Triannual Congress of the International Association for Analytical Psychology (IAAP) took place on the grounds of St. John's College in Cambridge, England from August 19-24, 2001. It was a memorable occasion both in its preparation and its incarnation and the present volume is meant to preserve at least a portion of what transpired: the papers comprising the program. The presentations and events were more far-reaching and all-inclusive than ever before, incorporating numerous political and intercultural issues and including representatives from psychoanalysis and other fields of endeavor for the first time.
