William Easterly

La carga del hombre blanco: El fracaso de la ayuda al desarrollo (Spanish Edition) William Easterly

William Easterly, uno de los economistas especializados en desarrollo más importantes del mundo, fue despedido del Banco Mundial por criticar la incompetencia flagrante de las organizaciones occidentales a la hora de mitigar la pobreza global. Este libro es su respuesta.

La carga del hombre blanco es una crítica feroz a los arrogantes esfuerzos y a las ineficaces políticas económicas de Occidente por mejorar el destino de los supuestos países en desarrollo.

En ocasiones irreverente, en otras airado, pero siempre clarividente y riguroso, Easterly plantea que Occidente debe afrontar su propia historia de ineptitud y sacar sus propias conclusiones, especialmente cuando la cuestión de nuestra capacidad de trasladar las instituciones occidentales al Tercer Mundo es uno de los debates más acuciantes a los que nos enfrentamos.

Un libro de denuncia que ofrece propuestas realistas para reducir la desigualdad en el mundo.

Reseña:

«*La carga del hombre blanco* es un valiente y documentado texto que denuncia el fracaso de la ayuda al desarrollo.»

Bernabé Sarabia, *El Cultural*
