Miracles at the Jesus Oak: Histories of the Supernatural in Reformation Europe Craig Harline

In the tradition of *The Return of Martin Guerre* and *The Great Cat Massacre*, *Miracles at the Jesus Oak* is a rich, evocative journey into the past and the extraordinary events that transformed the lives of ordinary people.

In the musty archive of a Belgian abbey, historian Craig Harline happened upon a vast collection of documents written in the seventeenth century by people who claimed to have experienced miracles and wonders. In *Miracles at the Jesus Oak*, Harline recasts these testimonies into engaging vignettes that open a window onto the believers, unbelievers, and religious movements of Catholic Europe in the Age of Reformation.

Written with grace and charm, *Miracles at the Jesus Oak* is popular history at its most informative and enlightening.
