## 2009 International Existing Building Code - Looseleaf Version (International Code Council Series)

International Code Council

Learn the requirements needed to instill safety and stability in existing and historic buildings - without requiring full compliance with the new construction requirements in the building code. The 2009 International Existing Building Code contains requirements intended to encourage the use and reuse of existing buildings by covering important topics such as repairs, alterations, additions, and changes of occupancy, making this an ideal addition to any code library.
