Democracia Bandeirante (Portuguese Edition) Wlaumir Doniseti de Souza

"A presente obra analisa os jogos políticos ocorridos no Brasil durante o Império e Primeira República, revelando como ocorreu a consolidação do Estado Nacional diante dos regionalismos. Nesse sentido, o autor enfatiza a importância da distritalização do poder eleitoral, peça-chave para a estruturação dessa nova lógica institucional. Considerando que a temática de reforma política nunca deixa ser atual, o livro em questão preenche lacunas sociais, além de bibliográficas. "
