## **Los Mitos de la Guerra civil (Historia Del Siglo Xx) (Spanish Edition) Pio Moa**

Este libro aborda uno tras otro los mitos de la Guerra Civil, acercándonos a su realidad histórica mediante un examen lógico de los datos y una rigurosa crítica.

La guerra de España, en palabras del historiador británico Paul Johnson, «ha sido el acontecimiento del siglo XX sobre el que más mentiras se han escrito». Los densos sentimientos todavía persistentes en torno a aquel suceso clave de nuestro pasado echan con frecuencia un velo sobre los hechos, impidiendo verlos y valorarlos con claridad. Este libro aborda uno tras otro esos mitos, acercándonos a su realidad histórica mediante un examen lógico de los datos y una rigurosa crítica de versiones a menudo muy popularizadas, pero de veracidad dudosa. De paso clarifica el papel de los dirigentes políticos, desde Azaña a Franco, en el camino que llevó a España a la hecatombe.
