Outlasting the Gay Revolution

Michael L. Brown

Outlasting the Gay Revolution Michael L. Brown

The Houston mayor tried to subpoena sermons against homosexuality. The Mozilla CEO was fired for supporting a bill to uphold traditional marriage. HGTV canceled a new home-improvement show because of the Bible-based views of the show's stars. From redefining marriage to dominating the culture, it appears that there is no stopping the gay activist agenda, but Dr. Brown boldly proclaims that the gay revolution is already a failure, containing within itself the seeds of self-destruction.

In *Outlasting the Gay Revolution*, Dr. Brown clearly spells out eight principles to help Americans with conservative moral values outlast the gay revolution: never compromise your convictions, take the high moral ground, cherish sexual purity, defend natural marriage, celebrate gender distinctions, propagate the truth, turn to God, and refuse to throw in the towel.

Dr. Brown's words will fill every reader with fresh hope and courage, and while it looks like American society will never be the same again, that is not the end of the story. Gay activists will continue to overlay their hand, and most Americans will reject the tactics of these new bullies as our freedoms of religion, speech, and conscience come under increasing attack.

A society based on sexual anarchy, the deconstruction of gender, and the redefinition of marriage cannot survive and thrive. Regardless of what the courts might say (including the Supreme Court), the cultural battle is far from over. The rising attack on our freedoms has only awakened a sleeping giant, in which case the battle has barely begun.

From reader reviews:

Francis Dawson:

Book is to be different for every grade. Book for children until adult are different content. As we know that book is very important normally. The book Outlasting the Gay Revolution ended up being making you to know about other information and of course you can take more information. It doesn't matter what advantages for you. The guide Outlasting the Gay Revolution is not only giving you much more new information but also to get your friend when you experience bored. You can spend your spend time to read your book. Try to make relationship with the book Outlasting the Gay Revolution. You never really feel lose out for everything in case you read some books.

James Fulk:

Nowadays reading books become more and more than want or need but also get a life style. This reading practice give you lot of advantages. Associate programs you got of course the knowledge the rest of the information inside the book that improve your knowledge and information. The data you get based on what kind of guide you read, if you want get more knowledge just go with training books but if you want truly feel happy read one together with theme for entertaining including comic or novel. Often the Outlasting the Gay Revolution is kind of reserve which is giving the reader unstable experience.

Lorraine Wheat:

Outlasting the Gay Revolution can be one of your starter books that are good idea. We recommend that straight away because this reserve has good vocabulary that may increase your knowledge in language, easy to understand, bit entertaining but delivering the information. The copy writer giving his/her effort to set every word into satisfaction arrangement in writing Outlasting the Gay Revolution however doesn't forget the main level, giving the reader the hottest as well as based confirm resource data that maybe you can be among it. This great information can certainly drawn you into new stage of crucial thinking.

Edward Sullivan:

This Outlasting the Gay Revolution is great publication for you because the content which can be full of information for you who all always deal with world and still have to make decision every minute. This particular book reveal it facts accurately using great manage word or we can state no rambling sentences inside it. So if you are read the idea hurriedly you can have whole information in it. Doesn't mean it only gives you straight forward sentences but hard core information with lovely delivering sentences. Having Outlasting the Gay Revolution in your hand like finding the world in your arm, information in it is not ridiculous one. We can say that no publication that offer you world inside ten or fifteen second right but this publication already do that. So , this really is good reading book. Hey Mr. and Mrs. hectic do you still doubt in which?
