*“This book is the first step to awaken the mind to the existence of another world that offers peace and harmony.”—Gary Bear Heals, Lakota Spiritual Teacher*

Follow the Native American Rainbow Path. For centuries, tribal shamans have used these remarkable healing practices to bring spiritual seekers into harmony with the world around them. In keeping with the Native tradition, symbolic stories illustrate the power of these techniques, while detailed guidance helps you change your thought patterns and eliminate mind-cluttering worries and concerns. This frees you to develop contact with your spirit guide; to master the secrets of rock divination, animal-spirit communication, and message reading; and to embark upon a life-altering vision quest to find your higher self.
