The Doomsday Shroud (The Demon Conspiracy Series) (Volume 2) R. L. Gemmill

Trouble continues for Kelly and Travis Bishop. Their older brother, Jon, runs away to New York City, the nation embraces Majik Juice, and the American Security Administration makes house calls at two in the morning. The good news? An assassin thinks he can save humanity from injustice. The bad news? Demons have discovered the perfect lure to get Kelly back into Pandora's Cave. The deep mystery and heart-pounding terror of The Demon Conspiracy Series continue, in Book 2, The Doomsday Shroud. Reminder: The Demon Conspiracy Series is still the only teen novel series required by the American Security Administration to post a warning about potential negative psychological effects on the reader. **READ WITH CAUTION.**
