*Legend has it love is carried on the rising mists of Spellbound Falls, and not even time-traveling highlanders are immune to its magic...*

Birch Callahan has seen the trouble men can cause. After witnessing her mother's four marriages, Birch now runs a women's shelter and doesn't want a man in her life. But there's something about her neighbor, Niall MacKeage. Birch can't figure out how the cop can be so big and gruff and yet so insightful and compassionate—and sexy. Or how she's falling for a man who acts like someone from the twelfth century.

Niall knows that Birch is attracted to him, even if she seems to distrust all men. Yet he also knows she has a secret—something that drives her to place herself in harm's way for the women of her shelter. Niall would gladly rush to Birch's side to protect her from harm, but with their secrets standing between them, he'll have to reveal his own truth if he wants to keep her...
