The Missing Matisse: A Memoir

Pierre Henri Matisse

The Missing Matisse: A Memoir Pierre Henri Matisse

Born into a famous family of artists, Pierre Matisse grew up immersed in the artistic life of Paris and the French Riviera, spending time with some of the most famous artists of the 20th century, including Pablo Picasso and Salvador Dali. The man he knew as his grandfather, legendary artist Henri Matisse, gave him his first painting lesson and a strong desire to become a great artist in his own right.

Being a Matisse was an important part of young Pierre's identity. So he was crushed and bewildered when, at the outbreak of WWII, his mother suddenly announced to her 12-year-old son, "You are no longer a Matisse." With no explanation, she changed her son's name and sent him away.

So began Pierre's lifelong search to solve the mystery of his true identity. What had happened? Why had his family seemingly rejected him? Who was his real father? Those questions are the intriguing backdrop to this memoir of Pierre's fascinating and adventurous life on three continents. Spanning the insider art world of 1930s Paris, the battles of WWII, the occupation of France by the Nazis, Pierre's involvement with the French resistance, his post-war work restoring art and historical monuments, and his eventual decision to create a new life in North America, *The Missing Matisse* is a story of intrigue, faith, and drama as one man journeys to discover the truth about who he is—before it's too late.

From reader reviews:

Sonia Cramer:

Nowadays reading books are more than want or need but also be a life style. This reading habit give you lot of advantages. Advantages you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The details you get based on what kind of book you read, if you want get more knowledge just go with schooling books but if you want really feel happy read one having theme for entertaining for example comic or novel. Often the The Missing Matisse: A Memoir is kind of book which is giving the reader unforeseen experience.

Mark Bunnell:

A lot of people always spent their own free time to vacation or maybe go to the outside with them family or their friend. Were you aware? Many a lot of people spent many people free time just watching TV, or playing video games all day long. If you wish to try to find a new activity this is look different you can read any book. It is really fun for you personally. If you enjoy the book which you read you can spent all day long to reading a reserve. The book The Missing Matisse: A Memoir it is rather good to read. There are a lot of those who recommended this book. These were enjoying reading this book. In the event you did not have enough space to create this book you can buy often the e-book. You can m0ore very easily to read this book from a smart phone. The price is not too costly but this book possesses high quality.

Gerald Wright:

Why? Because this The Missing Matisse: A Memoir is an unordinary book that the inside of the reserve waiting for you to snap this but latter it will shock you with the secret it inside. Reading this book beside it was fantastic author who write the book in such incredible way makes the content interior easier to understand, entertaining means but still convey the meaning completely. So , it is good for you because of not hesitating having this any longer or you going to regret it. This phenomenal book will give you a lot of advantages than the other book possess such as help improving your skill and your critical thinking approach. So , still want to hesitate having that book? If I were being you I will go to the reserve store hurriedly.

Pamela Bost:

This The Missing Matisse: A Memoir is great book for you because the content that is full of information for you who also always deal with world and get to make decision every minute. This book reveal it info accurately using great organize word or we can point out no rambling sentences inside it. So if you are read the idea hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but difficult core information with splendid delivering sentences. Having The Missing Matisse: A Memoir in your hand like keeping the world in your arm, information in it is not ridiculous one. We can say that no reserve that offer you world with ten or fifteen moment right but this guide already do that. So , this really is good reading book. Hey Mr. and Mrs. active do you still doubt which?
