*Post Secret* meets *World War Z* in this chilling vision of the fallout following a global zombie pandemic. A gradual mutation of a virulent strain of super flu gives rise to millions of the undead, who quickly overwhelm treatment facilities and swarm cities around the world, leaving survivors on their own against a legion of the infected. This chilling story is told through the scraps of paper, scrawled signs, and cryptic markers left by survivors as they struggle to stay alive and find those they've lost in a world overrun by zombies. Through these found notes and messages letters to loved ones, journal fragments, confessions, and warnings readers can uncover the story of what went wrong, and come to know the individual voices of those affected by the zombie crisis.
