Gender and Politics in Contemporary Canada

Gender and Politics in Contemporary Canada

This is a collection of essays by different university researchers interested in how the lives of men and women are affected by politics. The book adopts no specific ideology, but readers will easily discover that all authors share the view that Canadian society and polity still treat men and women unequally. This book is research-oriented in that it presents interpretations based on well-researched facts. Most chapters have previously been presented at learned conferences and have been revised for inclusion in this collection.
