O museu paulista: Affonso de Taunay e a memória nacional, 1917-1945 (Portuguese Edition) Ana Claudia Fonseca Brefe

Obra que retrata o Museu Paulista (conhecido como Museu do Ipiranga), a partir de sua construção, em fins do século XIX, como depositário da memória nacional atrelada à paulista, construída por meio da epopéia bandeirante e da vocação desbravadora paulista, desde os tempos coloniais e materializada em objetos, documentos e iconografia, numa narrativa cuja pertinência das análises e profundidade da pesquisa tornam o livro fundamental para os estudos sobre a disciplina História, conforme definida na ocasião e nas décadas iniciais do século XX. Resgata a figura de Affonso d'Escragnole Taunay, quem literalmente forjou a vocação histórica do Museu Paulista durante sua atuação como diretor entre 1917 e 1939, dando lógica e ordenamento à coleção de objetos históricos espalhados pelo prédio anteriormente, separando o objetivo inicial de dedicação às ciências naturais e à exposição de exemplares da fauna e da flora brasileiras. (Co-edição: Museu Paulista)
