Zane Grey

The Great Trek Zane Grey

Sterl Hazelton is no stranger to trouble. But the shooting that made him an outlaw was one he didn't do. Though it was his cousin who pulled the trigger, Sterl took the blame, and now he has to leave the country if he wants to stay healthy. Sterl and his loyal friend, Red Krehl, set out for the greatest adventure of their lives, signing on for a cattle drive across the vast northern desert of Australia to the gold fields of the Kimberley Mountains. But it seems no matter where Sterl goes, trouble is bound to follow!

One of the finest novels of Zane Grey's career, *The Great Trek* has never been available in paperback as Grey wrote it—until now. Faced with war-time paper shortages, his publisher cut the novel to barely *one-third* of its original length and published the result as *The Wilderness Trek*. Now, finally, Grey's epic full-length novel has been restored and can be read the way it was meant to be.
