The Secrets of the Ku Klux Klan Ezra Asher Cook

"To the old Ku-Klux Klan which rode through the south in the days following the civil war the new Ku-Klux Klan is a relative only in name.

It is not tied by blood. It holds the same position to its southern aristocratic forbear as an imposter in social life does to some illustrious gentleman of the same name of whom he claims to be a descendant.

The old Ku-Klux Klan was a historical development. The new is a man's contrivance. The old Ku-Klux Klan movement was an outcome of conditions that prevailed in the southern states after the war. The present Klan, apparently, is an outcome of a group of men's desire to make money."
