## **Culturas bananeras: Producción, consumo y transformaciones socioambientales (Estudios Sociales de Tecnociencia desde América Latina) (Spanish Edition) John Soluri**

El poder discursivo de la metáfora "república bananera" hace fácil pasar por alto las diversas maneras en las que el monopolio capitalista dentro de los Estados Unidos dio forma a la historia del comercio del banano en el siglo XX. Siguiendo al banano en su viaje internacional, John Soluri cruza, en esta obra, los límites de varios campos académicos para escribir una historia enriquecida por las perspectivas de biólogos y geógrafos, además de historiadores culturales, ambientales y sociales e incorpora una amplia gama de fuentes al incluir datos de censos manuscritos de Honduras, expedientes de las compañías fruteras, investigaciones científicas publicadas e inéditas, correspondencia entre los gobiernos de Honduras y de los EE.UU., y testimonios orales y efímeros de la cultura de masas de los EE.UU.
