## Embroidered Ground: Revisiting the Garden Page Dickey

In *Embroidered Ground: Revisiting the Garden*, the acclaimed author and garden designer Page Dickey writes of the pitfalls, challenges, successes, and myriad pleasures of the twenty-nine year process of creating her own remarkable garden, Duck Hill, in upstate New York. This winning book details the evolution of one especially loved and cared-for space: its failed schemes and realized dreams, and the wisdom gained in contending with an ever-evolving work of art. The author shares her very personal views on what contributes to a garden's success?structure, fragrance, the play of light and shadow, patterns and textures, multiseasonal plants. She writes of gardening with a husband, with wildlife, with dogs and chickens. And she grapples with how to adapt her garden?as we can adapt ours?to change in the years ahead.
