Gold in the Fire (The Ladies of Sweetwater Lake) Margaret Daley

As a firefighter, Joshua Markham was used to taking risks. So when unexplained fires started disrupting the quiet town of Sweetwater, he was prepared to stop them-whatever it took.

What he wasn't prepared for was Darcy O'Brien, the beautiful woman he found trying to save horses as her family's barn smoldered. After a recent relationship filled with heartache, Joshua wasn't ready for the protective feelings Darcy and her young son evoked in him.

Joshua *wasn't* willing to take risks when it came to love. But he *was* a man of faith. Could it be mere coincidence that he'd pulled this remarkable woman from a burning barn...and into his life?
