Patagonia

Patagonia

His love of nature and traveling has led Reiner Sahm to one of the most beautiful places in the world: Patagonia and Tierra del Fuego. Many regions of this area still remain uninhabited due to the inaccessibility of the immense mountain landscapes, high peaks, perilous deserts, cold and impenetrable fog banks, and jagged costal fjords. His photographs depict extreme landscapes bathed in a light which can only be found "at the end of the world". This virgin land, rugged and hard, is so beautiful it will take the reader's breath away with its wild, unspoiled nature. Through the pages of this book, readers will find themselves in one of the most fascinating, and incomparable, regions on Earth.
