Sustaining Social Work: Between Power and Powerlessness

Robbie Duschinsky, Sue Lampitt, Susan Bell

Sustaining Social Work: Between Power and Powerlessness Robbie Duschinsky, Sue Lampitt, Susan Bell
Social work is a profession under strain, and practitioners report finding the role increasingly challenging. What can sustain social work in these times? How can social workers sustain themselves in the role? How can they derive confidence and meaning from what they do?

In addressing these questions, *Sustaining Social Work* is a source of understanding and support for professionals struggling with the tensions of practice. Accessible and engaging, it explores the fallout that results from social workers experiencing these tensions, including feelings of powerlessness, responsibility, optimism and cynicism. Drawing on ideas from social theory and the social sciences, it puts forward a model of sustainable social work that will help practitioners not just cope but flourish – even in the context of ongoing crises.

An enlightening, uplifting read in a difficult and uncertain time for the profession, *Sustaining Social Work* addresses the challenge of finding sustenance and consolation within day-to-day practice, enriching it beyond the short-term.

The actual book that recommended for your requirements is Sustaining Social Work: Between Power and Powerlessness this reserve consist a lot of the information in the condition of this world now. This book was represented how can the world has grown up. The vocabulary styles that writer use for explain it is easy to understand. The actual writer made some study when he makes this book. That is why this book appropriate all of you.

Susan Preuss:

As a college student exactly feel bored to help reading. If their teacher inquired them to go to the library in order to make summary for some book, they are complained. Just minor students that has reading's soul or real their hobby. They just do what the teacher want, like asked to the library. They go to there but nothing reading seriously. Any students feel that looking at is not important, boring as well as can't see colorful pics on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Sustaining Social Work: Between Power and Powerlessness can make you truly feel more interested to read.
